PLUS THEMES:

Dear Reader,

We have called this the FREE SEX issue for a very good reason. It is absolutely packed with information about how to get free sex as well as opportunities to get some. Middle-aged women are at their most horny when a young man shows an interest in them. Take it from me I know. We are wiser and more experienced than younger women and we are of course far more appreciative. Why not give us a try and in return we will give you more free sex than you can handle.

Juliette Roberts - Editor

**IF YOU'D LIKE TO GET IN CONTACT WITH ANY OF THE GIRLS IN THIS ISSUE PLEASE WRITE TO THEM AT: 40 PLUS THEMES, TROJAN, PO BOX 58220, LONDON, N1 6WZ**

# 40 PLUS READERS

We love receiving your letters every day and we try and publish as many of them as we can. So if you're desperate and looking for a man for some dirty sex then this is the place to get them! Send you letters to: Juliette Roberts, Editor, 40Plus Magazine, PO Box 58220, London, N1 6WZ.

## Letters

I am a very lonely 48-year-old divorcee who would do anything to find a nice guy who would be interested enough to want to have a relationship with me. My husband left me five-years ago and I have had no other relationships. Please take pity on me.

Jean – Southampton

My wife has this fantasy to wander in the open air completely naked. She hopes that she will meet a nice guy who will proposition her. It's early days yet but we are optimistic because she looks great for 44.

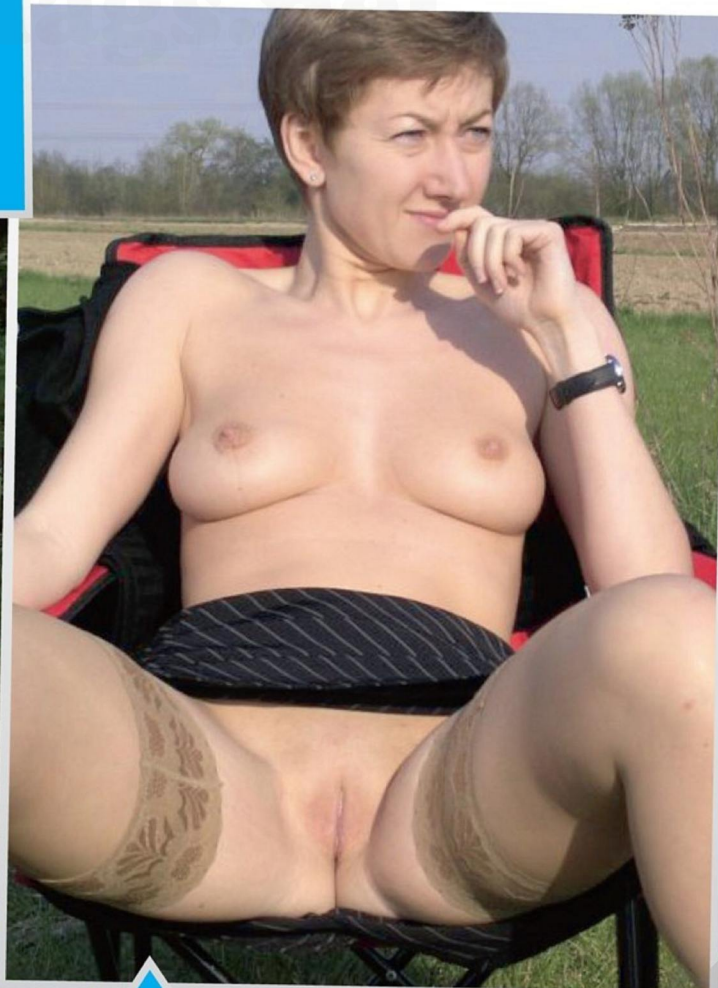

Tim – Birkenhead

If you live near Sherwood Forest and you like to go for a walk in the evening then you may come across my 43-year-old wife Kim. She loves to expose herself and should you want to go further then you have only to ask.

Dave – Ringwood

I hope that you like this picture of my lovely 45-year-old wife June taken at the weekend. She looks great and she is very horny. I just know that she would react positively if she thought any of your readers was interested in her. We look forward to hearing from anyone who thinks she is as lovely as I do.

Ken – Swindon

Thank you so much for putting me in touch with 48-year-old Margaret. She may be getting on but she is the most amazing shag I have ever had. She is willing to do anything and you were quite right when you said that older women were always grateful and offered the best free sex to be had. Thank you so much.

Mark – Southampton

# CATHY BRIGGS

**C**athy a 44-year-old housewife from Chelmsford is looking for a bit on the side. 'My husband is a good man who works too hard. He's away all the time and I'm always gagging for sex. Unfortunately, I am not getting any younger and I'm not prepared to hang around waiting for sex to happen. I am free during the day up until 4.00 pm and would love to hear from you. Free sex? You bet I have no intention of paying for it.'

# HOW TO GET FREE SEX!

**University student 19-  
year-old Cameron  
Robinson gets plenty of  
FREE sex thanks to us.**

**C**ameron Robinson is at Edinburgh University studying mechanical engineering. As a regular reader of 40 Plus he is a very big supporter of mature women. So when we suggested in a previous issue that younger men should start targeting the over 40's in supermarkets Cameron took us at our word.

'I'm glad I did otherwise I wouldn't be eating this delicious soup, staying in this lovely house and shagging the lovely 49-year-old Mavis Penn all for FREE! Mavis is a very lonely woman whose husband left her fifteen-years ago. She is still a bit bitter about this so do not ask her about it please.

I met her in my local supermarket and I just started asking her about cooking certain things and she offered to show me at her home. We got talking and as she showed me the cooking she asked if I needed some accommodation. Well I was in digs, which were quite expensive so when she offered me a free room with food in exchange for some chores I jumped at the chance.

Needless to say, the chores turned out to be sex but I didn't mind. She's quite trim for her age and she loves to suck my cock. Its as much as I can do to stop myself coming in her mouth. She has lovely little firm

breasts and her pussy is always ready for sex. In short she is gagging for it all the time. It's great I get this cool digs free and as much sex as I can take. I'd recommend every student doing this.

So many readers who have been successful getting free accommodation can't be wrong. All it takes is a nice simple conversation about the weather or cooking instructions. Look interested and listen to what your mature prospect is thinking. Pop in a small but realistic compliment 'that colour really suits you' would be fine 'you are beautiful' is not realistic. It is little touches like this said to a woman in a kind rather than lecherous manner that wins every time.

Once you get to that stage it would be perfectly acceptable to ask her to accompany you for a coffee. If she agrees you are almost home and dry. Simply suggest an evening at the pub as the next meeting. A few glasses of dry white wine will do the job and mellow her. By the time you say shall we go home for a nightcap you are only minutes from that hand on knicker elastic moment and the most enthusiastic free sex you'll ever encounter.

Cameron Robinson would certainly agree because that simple strategy certainly worked for him.

I just want to say that your advice regarding older women has really paid off. I don't get regular sex but I don't want to play for it either. So I decided to see if getting friendly with an older woman would do the trick. Well it has and I am now shagging Marjory twice a week because I asked her in a supermarket. I just told her that she was attractive and she was all over me. She is a bit clingy and desperate but what amazing sex! There is no doubt that mature women offer the best free sex opportunity ever!

John – Wolverhampton

When I found out that my husband was cheating on me I kicked him out and took him to the cleaners. With my settlement I decided to treat myself to a great boob job. Well here they are and bloody fantastic they look too. All I need now is somebody to stroke them.

Sharon – London

Hi there I am a very horny 47-year-old schoolteacher who loves to go camping at every opportunity. I love to do this all the year round and I am currently planning a two-week tour of Britain. I would love to meet any readers in the area where I am going so do get in touch and we can meet up for tea in the woods so to speak.

# LUNCH IN LESBOS

Every year a group of wealthy wives descend upon the Greek island of Lesbos.

**W**hen your husband is a city high flyer earning millions of pounds a year you can afford to indulge yourself and indulging is something one group of Surrey ladies who lunch can do better than most. Every year in October they arrive in Lesbos to stay for three weeks at the villa owned by Stephanie Walker. Stephanie a brunette beauty of 42 and her friends traditionally come to the island to top up their tan but over recent years this has begun to incorporate a portion of fresh pussy on the lunch menu.

As Stephanie points out 'we were just a group of bored women who spend most days attending charity lunches. It was a worthy but vacuous existence so I persuaded my husband to buy us a villa on a Greek island. I chose Lesbos because it was the only island name I knew. We spent £800,000 six years ago and it is worth over two million now.

About three-years ago we all started having a few drinks and we got on to the subject of why the island was called Lesbos and the association with the ancient Greek writer Sappho. Well, we all ended up kissing and touching each

other. This in turn led to pussy licking and full-on orgasms. The thing was that we really enjoyed it and some of the girls were of the opinion that they were having better orgasms than with our husbands.

Needless to say my husband has never even been to the villa and will probably never see it. This year we are all thinking of racking up the action by asking two men to join us for one week each. That's three weeks, two guys a week equals six places. We look forward to receiving your letters with photos

We always go in late October early November because the weather is still nice but it isn't too hot. We all just sit around drinking champagne and playing with each other. This year we all decided that it would be fun to invite guys along just for the fun of it. A lot of us don't have sex with our husbands because they are so busy. So the chance to have sex with a complete stranger is a real treat for us. We will still want to make love to each other at the same time as fucking you so it promises to be a pretty decadent and exciting time for everyone' says Stephanie.

Thank you so much for putting me in touch with Mrs Gwen Foster the 49-year-old divorcee from Stirling. Mrs Foster was dumped by her husband fifteen-years ago and has not had any relationship since. I have thanks to you been fucking her for three weeks and she really loves it. Your advice regarding getting free sex from older desperate women really pays off. They are gagging for cock and I'm delighted to supply it to the likes of Gwen.

Tony – Cardiff

We are two very naughty 40-something housewives with boring husbands. We are looking for some exciting guys willing to chase us through the woods and when you catch us pull off our knickers and surprise us! We are both really horny and we promise you a great time.

Karen & Mary – Woking

I hope you like this picture of my lovely 40-year-old wife Sue taken during the recent flooding. I just thought that this would cheer up people during a difficult moment. Well it certainly did the trick in Tewkesbury where this was taken. About twenty-guys offered Sue a good time and we are thinking of taking them up on it.

**M**acclesfield is the hometown of three lovely ladies who have all been through the trauma of a divorce but now feel ready to try a relationship. They are from left to right 44-year-old Karen Hart, 48-year-old Sharon Gosling and 41-year-old Pat Kinsey. These are three very horny ladies and they would love to meet you.

Sharon the eldest explains how they ended up doing the lesbian thing together. 'It was one night in the Winter. We had a few drinks and the other two were staying at my house for the night. We ended up getting smashed and watching porn movies. We got so turned on that we turned on each other. It was wonderful to feel wanted sexually even if it was with a another woman. We have been eating pussy for a few months but we have started to feel adventurous and want something more. We think that we are ready for some real sex.'

Karen chimes in 'we are big lasses and it isn't easy to get a fella when you are big and over forty. We were all pretty much in the same boat. You get really horny and you want sex but there is nobody about to have it with. Then we all tried the lesbian thing which is great but a hard cock occasionally would be lovely.'

Pat the youngest says that she is happy with the way things are. 'I took to the lesbian thing like a duck to water. I think I may even be a lesbian in real life. If the girls want to have a cock I'll go along with it and enjoy it but I'll be licking their pussies as the cock is fucking them.'

All three ladies are not looking for anyone special. A regular guy who gets turned on by them will be perfect. So its over to you our readers to write to these ladies and get something organised.

We are two very bored and very horny travelling ladies who would love to meet some of your readers for fun. We are currently camped on the A41 near Watford. Why not come and pay us a visit?

Cassie & Janine – All over the UK

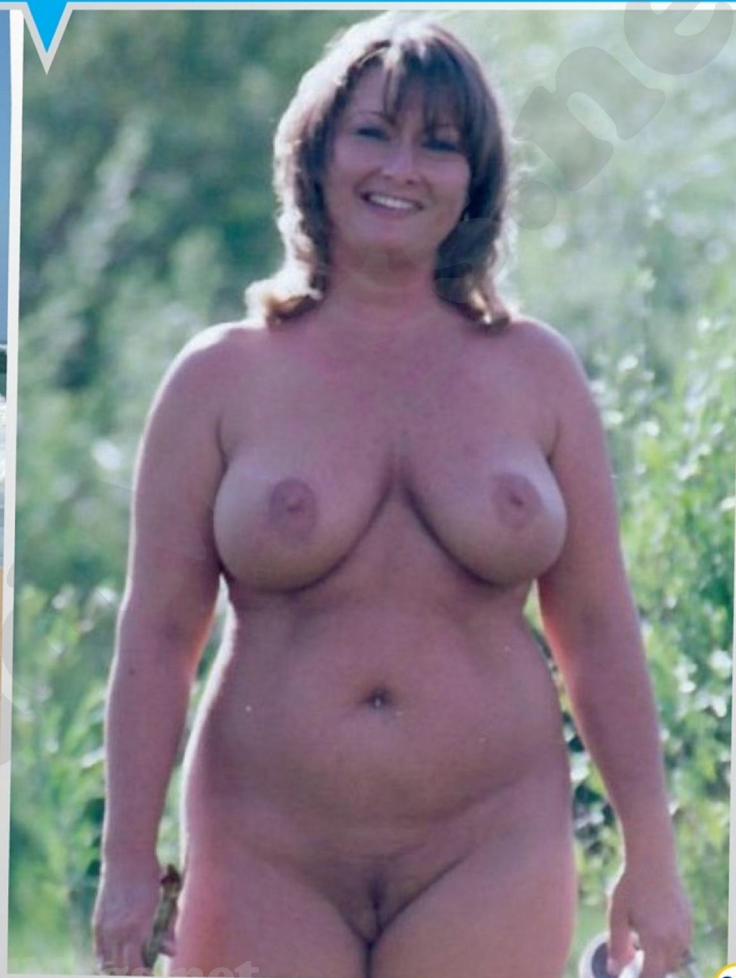

I am a 40-year-old bored housewife whose husband is always working abroad. I would love to meet somebody who was sympathetic. Initially, just to talk about this but if the chemistry is right hopefully this will lead to more.

Laura – Westbury Lea

Due to a serious operation my husband is now unable to have sex with me. Obviously this was a terrible blow for him. He says that it is ok for me to find a lover but I don't want to do that. He can still get pleasure so I would like to do anything with him present. This will turn him on, it will give me a sex life and everyone is satisfied.

Claire – Great Missenden
